

LAKESHORE CRIME PREVENTION DISTRICT
NEW ORLEANS, LOUISIANA 70124

Fee Proposal for 4 Years beginning January 1, 2021

The Lakeshore Crime Prevention District Commissioners are proposing an annual increase to the Security Fees not to exceed \$60 effective for calendar year 2021.

This is the first increase since the District was created and patrols began in 2004.

Due to rising costs of security, the Commissioners have had to decrease patrol hours to maintain a balanced budget.

Lakeshore has remained one of the safest neighborhoods in New Orleans.

PLEASE indicate your approval or disapproval below

I am for proposed increase

I am against proposed increase

I would be willing to pay \$ _____ more annually
